Week 2

MLS PeeWee Boys Basketball Season Is Here

MLS PeeWee boys basketball team has begun their season this past week with several practices under their belt. The boys are very excited for their upcoming first game on Tuesday September 6th against Westhope /

Newburg. Chase Driscoll, Michael Knutson, Ethan Southam Beau Driscoll, Levi Feland, Will Smith, and Cole Southam are the 5th and 6th graders participating this year from MLS - Sherwood. There is a total of 21 boys playing for MLS this year. In the past, 4th graders have been able to begin playing but this year with the high number of participants it was agreed that they will have to wait one more year. There was definitely some disappointment but this will ensure the players this year will get adequate playing time.

"I can't play being mad. I go out there and have fun. It's a game, and that's how I am going to treat it."- Ken Griffey, Jr.

The team is coached by Wally Beckman of Mohall and Boyd Southam of Sherwood who are both truly gifted when it comes to being a positive influence on the boys. Coaching is so much more than showing the kids how to play the game and is always a challenge dealing with all the different personalities and skill levels. Not surprisingly, both of these coaches are also dedicated teachers for MLS.

Keep an eye on the Mavericks' schedule for a chance to check out a game. Even if you do not have boys playing, come and show your support for the team. It's a blast watching these kids show off their talent!

MLS - Sherwood PTO

Carnival has been set for March 23, 2012. This will be the first time having the carnival since the high school in Sherwood has been closed. In the past, the high school students along with their parents always helped to make it a success. This year, we are asking anyone who would be willing to help in anyway to volunteer. We need volunteers (men and women) for committees such as food, setup, and cleanup. Kids and adults both love events such as this so join in the fun! If you are interested, contact Heather Volk 459-2289 or Roxanne Ellingson 459-2256.

If you have any information you would like put in the weekly newsletter please call Roxanne Ellingson 459-2256
