STUFF A BOX

Katie Haarsager, Miranda Hett, & Jordan Schoenberg have chosen this project for their National Honor Society project. They are asking surrounding communities to donate: canned goods, clothing, books, toys, shoes, blankets, & Christmas gifts; Which will be distributed locally as needed. There will be a box available here at MLS-Sherwood School for a donation drop off site until Tuesday, Dec. 13th.

This past Monday, Kaitlin Knutson, Whitney Stanley, Kayla Volk, and Greg Miller went to Minot for the Minot State University Technology Day. They competed in Speed Typing, Document Production, Desktop Publishing, and Web Page Design. Thirteen area schools participated in this event. Prizes were awarded to the top 3 finishers in each event.

Minot has hosted this competition for 8 years. We've done really well in the past. We won the team event one year, placed 2nd another year, and got 3rd place twice. We've always come home with at least one prize. Unfortunately, when they handed out the prizes this year, none of our names were included. However, they had added a new event this year. They had a computer set up for handicapped persons where you sat in a wheelchair and guided the screen cursor with a head and neck mouse, plus using the hand mouse. Each student got to sit in the chair and play a video game on the computer. Greg Miller did really well and won 2nd place, so our consecutive win streak is still intact.

Competition is really heavy in this Technology Day. You can really tell the schools that have full-time computer instructors. All in all our kids do very well.

Braeden Volk was the lucky ticket holder for the Playground Fund drawing; at the Holliday Bazaar, Saturday, Dec. 3rd

A suicide awareness program will be held this evening, Dec. 9th @ 7:00 pm in the Zion Lutheran Church in Mohall.
