## *Member of Lewis & Clark's Expedition Visits MLS-Sherwood*

*On Monday, December 19<sup>th</sup> Private Gibson of the Lewis & Clark Expedition visited with the 4-5-6 Grade students in Sherwood.*

*Private Gibson taught students some of the sign language that was used in greeting and trading with the Native Americans. Students also learned from a first hand account what life was like for the explorers.*

*Four students had the experience as Native Americans to trade furs for good with Private "Tom Gibson".*

*The program was sponsored by the Renville County Soil Conservation District. Private Gibson got the point across to the students that we who live here in rural Dakota Territory should appreciate and learn to conserve and respect the beauty and magnificence of our plants and animals.*
